

Statement regular school attendance of student abroad

With this form the school abroad informs whether or not the student was regularly present during the school year

School year

Student information

For every student you fill in a separate form.

Surname

First names

Date of birth

Social Security number

Has the student visited the school regularly??

To meet the requirements of article 9 of the compulsory education law (Leerplichtwet), the parent must prove that the student visits the school where he / she is enrolled regularly. The parent can do this by having the principle of the school complete this form. This form must be submitted to the compulsory education officer in June.

Yes, the student was regularly present

No, the student was not regularly present

Number of days of unauthorized absence

(add an overview of absence overview)
